

# 5 NEW CAMPERS

## Children Need Camp

- Camp builds self-esteem, independence, leadership, friendship skills, social comfort, positive values, and decision making skills!
- Camp helps children try new things.
- Camp gets children away from screens and outside in God's creation.
- CAMP GROWS FAITH!

## Encourage Children to Attend Camp

- Tell 5 children who haven't been to camp how awesome a week of summer camp will be!
- Share the camp website with the parents or give them a brochure so they can see all the different camp opportunities. [www.novusway.org](http://www.novusway.org)
- If they need help with paying for a week of camp, encourage your church to help provide a scholarship or ask them to apply for a NovusWay scholarship.
- Check back with them to make sure they followed through with registering for camp.
- Find out which week they are going to camp and send them a little postcard telling them you can't wait to hear about their week.

**You can also make camp possible for other children by making a gift at [www.novusway.org](http://www.novusway.org).**
