The Camps of NovusWay Ministries
GET OUTSIDE?
TURN OFF SCREENS?
MEET NEW FRIENDS?
MAKE A DIFFERENCE?

A NovusWay camp experience is the answer!

Summer camp at Lutheridge, Lutherock, Luther Springs, and Lutheranch continues a 70-year tradition of creating a fun community that welcomes, equips, and empowers your camper amid God’s good creation. Led and cared for by our well-trained young adult staff, your camper will make new friends and have faith forming experiences. And all of this happens in sacred spaces that are unplugged from screens and social media. Your camper will learn more about who they are, their skills and gifts, and how they can make a difference in the world.

Our camps offer a variety of experiences for your camper. The classic camp experience offers crafts, songs, games, and a cabin community full of new friends; or the experience of challenging adventures in our Outdoor Adventure Program with activities like rock climbing, whitewater rafting, and ziplining. It’s a life-changing experience for everyone!

OUR THEME

This is our prayer:
This summer, campers will learn about praying for peace, building community, and making a difference in the world!
WHAT DO WE HEAR ABOUT CAMP?

- Alisha (Camper)

"I cannot say enough great things about the type of training and preparation the program directors do with the counselors and the care, modeling and sharing the counselors do with the campers."
- Jill (Parent)

"Thank you for everything you do to create a safe, fun, and faith filled environment for our young people to grow in their discipleship."
- Amanda (Church Leader)

"Camp is fun!"

As we have moved through this pandemic, the team at NovusWay camps have learned how to welcome guests on-site in life-giving and healthy ways. The past nine months have changed so much in our daily lives: how we gather, how we worship, and how we do school, among other things. We know what hasn't changed is the importance of gathering together and being out in God's good creation. We at NovusWay are, therefore, all the more excited about Summer Camp 2021. We have missed having you at these sacred spaces!

We know that there will be many questions about what camp will look like for your camper in 2021. Will they need to wear a mask? Will they be able to sing camp songs? Will they be able to do group activities and play games together? We are continuing to follow the latest guidance and safety protocols from the CDC and the American Camp Association. We are committed to keeping you updated regularly on what camp will look like for your camper. You can expect monthly updates leading up to summer camp beginning in January 2021. Look for the most up to date information on our health guidelines and precautions at novusway.org/summer2021.
